

A Symphony of Lights

A Dance Journey
to Self Love

**14th December 2024 | Teatro Technis
London**

A groundbreaking project that transcends the realms of a typical dance performance, it's a profound celebration of self-love, empowerment, and the embrace of authenticity.

A Symphony of Lights

A DANCE JOURNEY
TO SELF LOVE

Join us for an unforgettable evening of dance and storytelling!

*In Symphony of Light, we invite you
on a journey of self-discovery and empowerment.*

*Witness the transformative power of dance
as we explore the themes of self-love, acceptance,
and the strength that comes from within.*

We are lights.

Individually, we shine,
but together, we create a symphony
a brilliant, powerful force.

No more comparing, no more dimming ourselves
so someone else can shine.

We lift each other up, and together,

WE GLOW.

WHAT IS SYMPHONY OF LIGHTS?

*A Symphony of Lights
it's a powerful celebration of self-love,
healing, and the journey every woman embarks
on to rediscover her inner light.*

***This event blends storytelling, dance,
and powerful monologues to create a
transformative experience for all in attendance.***

*The dancers move to represent the emotions
and challenges women face,
culminating in an inspiring message
of strength and unity.*

***Together, we light up the stage
and reclaim our power.***

DANCE
the sacred space
where authenticity
unfolds,
and where
the relentless act of
shrinking
comes to an end.
